

# 2 CORINTHIANS 2:1-17

## LOVE, TRUTH AND GRACE

### The Bottom Line:

**Love, informed by truth and grace, is the building block of \_\_\_\_\_**

It must be understood that correction is not for the purpose of division and destruction, but for the \_\_\_\_\_ of order and joy.

True scriptural correction never proceeds from arrogance or harshness, but from a heart of \_\_\_\_\_ - \_\_\_\_\_. (**Psalm 141:4, Proverbs 27:6**)

### Should be swallowed up (See also 1 Peter 5:8)

*Katapinō (Strong's G2666)*

*I. to drink down, swallow down*

*II. to \_\_\_\_\_*

*III. to swallow up, destroy*

\_\_\_\_\_ is as great a danger to the body of Christ as open tolerance.

The heart of condemnation exposes the \_\_\_\_\_ of love. (**VS 4**)

A spirit of condemnation is not only a heart problem, but a sin problem. To \_\_\_\_\_ the repentant sinner is as great a sin as to tolerate the sin. (**Matthew 18:15, Galatians 6:1, James 5:19-20**)

One primary strategy of Satan is to drive a wedge of division between members of the body. \_\_\_\_\_ and \_\_\_\_\_, when possible, frustrate this effort.

The God we worship in the \_\_\_\_\_ is the same God who may seem absent in the \_\_\_\_\_.

The God of victory is always leading His church in \_\_\_\_\_.

To those who hear the gospel and \_\_\_\_\_, the Christian is the bringer of fragrant life. To the one who hears and \_\_\_\_\_, the Christian is the herald of foul death.

Without the grace and empowerment of God, there are \_\_\_\_\_ to carry the weight of the glory of the gospel of Christ.

### Peddling

*Kapēleuō (Strong's G2585)*

*to \_\_\_\_\_, to adulterate*

*peddlers were in the habit of \_\_\_\_\_ commodities for the sake of gain*
